

Instructions for Honors Thesis Binding via BYU Print and Mail Services

Note on Costs: For **these 3 copies**, the Honors program **subsidizes the cost of binding** and you are responsible for the cost of printing and paper. If you wish to order **additional personal copies** (for parents, etc.), you may do so at the same time you order the required copies. For extra personal copies, **you will be responsible for the all costs** (binding, printing, and paper). The online order site will calculate and charge you accordingly, and you will be able to see final costs before providing payment information and submitting your order.
