

REGISTRATION FOR HONRS 499R CREDIT– Fall/Winter

SEMESTER: _____ TERM: _____ YEAR: _____

By signing below, I request an addcode to be given to the specified number of HONRS 499R credits and confirm that I understand the following (please check each box):

- HONRS 499R **does not count** towards my Honors interdisciplinary core requirement.
- I am expected to work a **minimum of three hours per week** on my thesis per registered credit.
- I should **not** also register for 499R credit through my major department.
- I will complete all the assignments in HONRS 499R, including having a thesis draft to turn into my thesis committee by the completion of 3 credits.
- My grade will be a “T” until I successfully defend my thesis, at which time my grade will be changed to a “P” (meaning Pass). **HONRS 499R credit does not receive a letter grade.**
- If for any reason I do not successfully complete and defend my honors thesis, my grade will remain a “T” on my transcript indefinitely. (“T” grades do not impact GPA.)*
- Only a **total of 6.0 credits** may ever be registered for by students over their Honors career (whether in one term or in more terms combined).
